### Coleman Engineering Tells Of Quarterly Earning Mark

### God as Creator Sermon Theme

The completeness and supremacy of God will be highlighted in the Lesson-Sermon entitled "God the Only Cause and Creator" at all Christian Science church services today.

The Golden Text is from Psalms. "Happy is he that hath the God of Jacob for his help, whose hope is in the Lord his God; which made heaven, and earth, the sea, and all that therein is: which keepeth truth for ever."

As the theme is developed in the sermon, the closing Scriptural selection from Revelation affirms, "Thou art worthy, O Lord, to receive glory and honor and power for thou hast created all things, and thy pleasure they are and were created."

A passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states, "The three great verities of Spirit, omnipotence, omnipresence, omniscience — Spirit possessing all power, filling all space, constituting all Science — contradict forever the belief that matter can be actual. These eternal verities reveal primeval existence as the radiant reality of God's creation, in which all that He has made is pronounced by His wisdom, good."
